VELUM 10W40

Description: This universal motor oil is produced with special base oils that have a natural high viscosity index, to which additives are added to obtain the following properties:

- a high and stable viscosity index
- a fast cold start
- a strong resistance against oxidation
- a safe lubrication film at high temperature
- a good detergency and dispersion
- a strong protection against wear, corrosion and foaming

Application: A universal motor oil, recommended for use in petrol- and diesel engines, with or without turbo-charging, in passenger cars and delivery vans.
